## Introduction

June 1 through November 30 marks hurricane season in Florida. Being prepared before the storm is wise, but how can you protect yourself after a disaster strikes?

Pinellas County Consumer Protection has compiled this information based on past real-life experiences to assist citizens and visitors with these situations.

## Home Repair & Contractors

One of your most critical post-disaster recovery issues may be the hiring of a competent, licensed contractor. Pinellas County Consumer Protection offers the following suggestions:

1. Watch out for "fly-by-night" contractors who take deposits and do not do any work. Never deal with any contractor soliciting work at your house.
2. Deal only with licensed and insured contractors. Verify that the license is current and active by calling the Pinellas County Construction Licensing Board at (727) 582-3100.
3. Ask for and check references of previous customers.
4. Get at least three estimates. Be certain the estimates are itemized and for the same work.
5. Avoid a contractor who asks for advance payment in full. Pay upon completion or as the work progresses. Always avoid paying in cash.
6. Avoid contractors who ask you, as the homeowner, to obtain the building permit.
7. Beware of any contractor who tells you that extensive or structural repairs do not require a permit.
8. Take your time when signing a contract and consider asking a knowledgeable friend, relative or attorney to review it before you sign. Make sure the warranty information is included in the contract.
9. Require the contractor to supply a final affidavit indicating that all subcontractors and suppliers used on the job are paid in full. Ensure that the work is inspected by the building department before final payment.

## Insurance Claims & Adjusters for Hire

Beware of unlicensed and unscrupulous adjusters for hire.

1. Demand to see proper identification and proof of license. Verify the license at [www.myfloridacfo.com](http://www.myfloridacfo.com).

## Motor Vehicle Repair

Vehicles may be damaged due to a natural disaster. Understand your rights under the Florida Motor Vehicle Repair Act.

1. If the repair will cost more than \$100, the repair shop must give you the option of:
  - a. Requesting a written estimate.
  - b. Being notified by the shop if the repairs exceed the amount you specify.
  - c. Not requesting a written estimate.
2. Ask for a written estimate. Shops cannot force you to waive this right. Keep your copy of the estimate.

## Charitable Solicitations

Consider the following precautions to ensure that your donation dollars benefit the people and organizations you want to help.

1. All charities soliciting within Florida – excluding religious, educational and government entities – are required to register and file financial information with the Florida Department of Agriculture and Consumer Services. To check whether a charitable organization is properly registered, visit [www.freshfromflorida.com](http://www.freshfromflorida.com).

## Price Gouging

In accordance with Section 34-28 of the Pinellas County Code, it is unlawful to charge more than the normal average price for any merchandise sold during a Local State of Emergency.

To report price gouging, contact Consumer Protection at (727) 464-6200 and the Florida Attorney General at [www.myfloridalegal.com](http://www.myfloridalegal.com) or (866) 966-7226.

## Trash Removal

Local government is responsible for removing trash from the RIGHTS OF WAY ONLY. The property owner must transport and place their trash at the edge of the right of way at their own expense.
